Subject: Chesapeake Bay Executive Council Meeting July 9th

Good Afternoon C2s, The Chesapeake Bay Executive Council Annual Meeting will be held July 9th in Lorton, Virginia. Currently, Governor O'Malley and Mayor Gray are confirmed. State Secretaries or their designees from each of our states will be participating in the day long meeting with the RA and the Administrator. In preparation, we would like to provide the Administrator's office any "super" hot issues in any of the Region III States.

If there are any issues you think might be raised at the Administrator's level, please check in with liaison (please note, Jennie will be covering VA and Laura covering PA and WV starting next week. I suggest you cc both Jennie and Laura on PA and VA issues) If there are any issues to be forwarded to the Administrator, the liaisons will need the standard hot issue format (attached) by Monday, July 2nd. Thank you.
